WHO WE ARE

The Friends of the Lockport Public Library, Inc. is a volunteer not-for-profit organization whose purpose is to support the resources, services, and programs of the Library, and promote the Library's presence in the Community.

We maintain a year round used book sale at the Book Nook on the 2nd floor of the library and host two large book sales each year. The proceeds from this sale and your membership dollars help fund new book collections for the library, as well as educational programs.

The Board of Directors is elected from the membership. Directors serve terms of three years. Officers are elected annually by the membership from the Board of Directors.

Friends' contributions, including grants & partnerships, to the Lockport Public Library total over \$115,000.
